Accepted delivery of concrete order as above

This concrete delivery is subject to the terms and condition of sales as shown in our quotation. The time for delivery is 15 minutes. We reserve the right to change for any deflection beyond this time as per the quotation. Any unauthorized addition of water and for any other material to concrete shall absolve us from any liability. Any deficiency in methods of placing, compacting, finishing and curing of concrete adopted at site may affect the strength of concrete in the finished work, for which we shall not be held liable and responsible. Any disputes shall be referred to the concerned authority & Quality (except comp strength) of concrete supplied in this load shall be reported to us in writing within 24 hours from the time of supply. In no event shall we be liable for direct, indirect, incidental or consequential damages arising out of use of this product, even if advised of possibility of such damage in no shall our liability exceed the value of this product. For any queries and complaints towards the suppliers, please write to us.

I hereby confirm that :
I have accepted delivery of concrete as per the details mentioned above.
I have authorized addition of any water and of admixture as mentioned above.

Concrete contains lime and other chemicals which can cause irritation, dermatitis and burning. To avoid contact with skin, minimize contact with wet concrete and wear suitable protective clothing. Whenever contact with concrete (either directly or through saturated clothing), wash thoroughly. In case of irritation or burns, consult a doctor immediately.

Accepted delivery of concrete order as above

This concrete delivery is subject to the terms and condition of sales as shown in our quotation. The time for loading this delivery is 15 minutes. We reserve the right to change for any deflection beyond this time as per quotation. Any unauthorized addition of water and for any other material to concrete shall absolve us from any liability. Any deficiency in methods of placing, compacting, finishing and curing of concrete adopted at site may affect the quality of concrete in the finished work, for which we shall not be held liable and responsible stop any disputes that may arise. Quantity & Quality (except comp strength) of concrete supplied in this load shall be reported to us in writing within 24 hours from the time of supply. In no event shall we be liable for direct, indirect, incidental or consequential damages out of use of this product, even if advised of possibility of such damage in no shall our liability exceed the value of this product. For any queries and complaints towards to suppliers, please write to us.

I confirm that :
I have accepted delivery of concrete as per the details mentioned above.
I have authorized addition of any water and of admixture as mentioned above.

Concrete contains lime and other chemicals which can cause irritation, dermatitis and burning. To avoid contact with skin, minimize contact with wet concrete and wear suitable protective clothing. Whenever contact with concrete (either directly or through saturated clothing), wash thoroughly. In case of irritation or burns, consult a doctor immediately.
