directed by Engineer In-Charge. The running bills shall be submitted on a closed item basis for assessed quantities of work done. After verification of the running bill and all other required documents submitted by the contractor and approved by Engineer In-Charge, an interim certificate of 100% will be issued for payment with documents attached by Engineer In-Charge as below:

- b. **5% (Five Percent)** from each running bill shall be deducted as retention amount. The retention amount will be released 1 year after 100 % virtual completion certificate given by the Architect and entire satisfaction of Architect, Developer, and Consultant. It shall be the sole discretion of the Developer to decide on the percentage of retention amount and be released based on factors like speed of work, quality of work, cleaning, behavior, personal attendance, quality of supervision, levels of skill and expertise of Labor and other related factors.
- c. Retention shall be paid only on 100% completion of work and subject to the terms and outlines appearing in this agreement. In case of part completion on account of termination or Contractor not completing his work, retention amount shall be forfeited. Retention money shall be withheld if work is not completed in the time, Quality, Rectifications, and Cleaning and has been clearly and specifically understood by the Contractor.
- d. Developer has a right to retain the amount if Contractor does not do Cleaning, Quality, etc.
- e. All the works executed under the instructions, acceptance and certified by the Engineer in charge, based on the rates, terms and conditions of the contract.
- f. Recovery of advance payments if any, retention money and any other dues will be recovered from the contractor under this contract.
- g. Supporting documents, measurement sheets and any other documents as may be required for certification of the bills. The balance 5% payment of the interim bills will be retained as "Retention Amount".
